CONSTRUCTION PRODUCTS GROUP INC.

**Activar Construction Products Group, Inc. (ACPG), manufactures products for the commercial construction industry under the JL Industries, Air Louvers and Hiawatha brand names.**

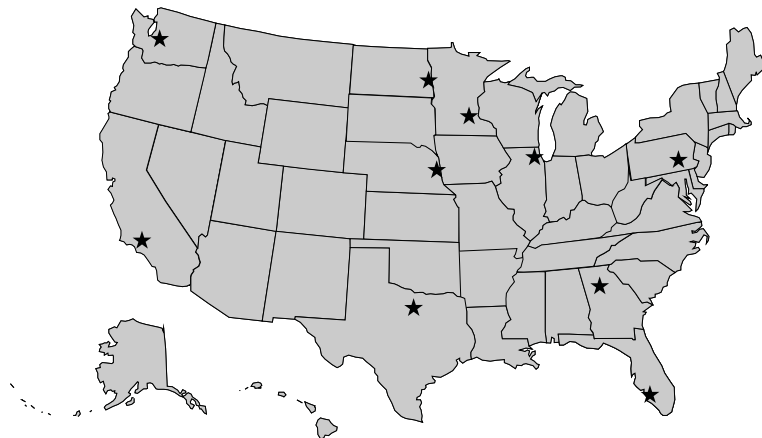

JL Industries is best known for fire protection and life safety products including fire extinguishers and cabinets, automated external defibrillators and cabinets, as well as valve and hose cabinets. Other offerings include rated and nonrated access panels, floor doors, corner guards, entrance mats and gratings as well as roof hatches, safety railings and rooftop pipe supports.

Air Louvers has been a quality manufacturer of louvers and vision lites for the wood and hollow metal door industry for over 30 years. We offer a wide range of fire and safety-rated glass options, door edges and astragals plus a line of privacy options for vision frames. Specialty products have been developed for use in hurricane zones, and product offerings now include x-ray glass and ballistics-resistant glazing.

Hiawatha provides a wide range of architectural door hardware in finishes from brass and bronze to polished stainless to complement the interior of any building. We carry a full line of door pulls – both standard and custom, push bars, kickplates & push plates as well as door stops, flush bolts, door coordinators and much more.
